Notice Regarding Dissolution of Subsidiary

Tokyo, Japan, February 20, 2007 - Riso Kagaku Corporation announced today that its Board of Directors has resolved to dissolve RISO IRELAND LABORATORY LTD., the Company's non-consolidated subsidiary. Details follow.

1. Background to Dissolution

RISO IRELAND LABORATORY LTD. was established as a base for the development of software, focusing on printer drivers used in the Company's printing products. However, as such functions have already been integrated into the development division of the Company, it was resolved that RISO IRELAND LABORATORY LTD. would be dissolved.

2. Profile of Dissolved Subsidiary

Name: RISO IRELAND LABORATORY LTD.
Representative: Director, Yasuhiro Takahashi
(Managing Director of the Company)
Location of head office: Dublin, Ireland
Business: Development of software and other products
Settlement: March
Capital: 100,000 euro
Established: September 13, 2002
Ownership: 100% by Riso Kagaku Corporation

3. Schedule for Dissolution

March 2007 Termination of sales activities
September 2007 Conclusion of liquidation (projection)

4. Outlook for Dissolution

Riso Kagaku Corporation does not anticipate that the dissolution of this subsidiary will have a material impact on its results for the term ending March 2007.
